

OCA 87-1076  
20 March 1987

NOTE FOR: Acting Director  
FROM: Dave Gries  
SUBJECT: Meeting with Senators Boren and Cohen

The attached MFR explains what happened. There was never any suggestion that CIA had acted improperly or failed to brief the Committee, but there was a lot of heat generated about Senator Durenberger's comments. I relayed your offer to discuss the issue further with the Senators, but I suspect that they already have most of the information they need.
